

DEVON DUMPLINGS CRICKET CLUB

PLAYING REPORT 2015

Fixtures 23 Won 11 Lost 5 Drawn 0 Cancelled/Abandoned 7

I am pleased to be able to present my fourth report as Keeper of the Records. I am delighted that the news is much better than last year with a 65% success rate in all matches played and 62.5% success in the all day games that took place!

We had one less fixture arranged than in 2014 despite having tried to resuscitate the Old Blundellian's match and a second attempt at getting a maiden fixture against Taunton School onto the card. Sadly a number of opponents could not raise sides again and we were guilty early in the season of this too. Warwickshire Imps failed to reply to communications regarding a fixture this year – it may take them some time to recover from last year's loss to a side including overseas teenagers.

Our successful tour in Oxford last year encouraged the Committee to do it again this year. I was delighted that it was simpler to organise this time as so many of the tourists from 2014 "booked early to avoid disappointment". Great fun and a chance for distant Dumplings to get some games in!

Of the 11 "all day" matches (3 were cancelled/abandoned, 5 were won, 3 lost) and none drawn.

In terms of batting and bowling the bat again had the advantage this year with two scores of 150 or more and three centuries by Dumplings versus one century by Boshoff of Arden Taverners and only two "five fors" by Dumplings, 5 for 32 by Dan Fogerty and Joel Murphy with 5 for 37.

The five centuries were scored by four individuals, Kobi Griggs, Tom Fogerty, Brad Barnes and Ben Van Nierkerk who scored two. In addition Dumplings scored 16 half-centuries with four of them in the new fixture against Bahrain Camels! One matter of note is that three of the centuries ended "retired out" which is unusual for Dumplings.

68 players turned out this year, 30 fewer than last year. 39 only played one match. Two played 11 matches, a third played 9 with only six playing 7 or more matches. 7 of the 68 "did not bat". Bernie Wilson batted 5 times this year and was out twice. I think that may be a record... We had 43 bowlers only 10 of who bowled 25 or more overs, with 5 bowling more than 40 overs. 9 took no wickets and only 6 took 7 or more wickets in the season with just two taking double figures.

Finally my personal highlight of the season was the end of the one match in which I acted as scorer. Never again!

Dr Peter Jolliffe, Keeper of the Records, Ley Green Farm, Teigngrace

MATCH RESULTS 2015

April 15th at Plymouth College: Plymouth College vs. D.D. CANCELLED, D.D. failed to raise a side

April 29th at Exeter School: D.D. 163 for 9 (40 overs. A Beavan 41*, R Pyle 27, C Ferro 25) LOST to Exeter School 164 for 2 (28.4 overs. J Stirling 2-37)

Dumplings batted first in a 40 over match with Chris Ferro and Chris Sleep providing a sound start before Sleep was bowled by Freddie Filor for 18 with the score on 30. Graham White joined Ferro and was bowled by a "snorter" from Brewer. Canadian Adam Ramcharran then helped the score to 65 before Ferro was LBW for a solid 25 and after hitting a big 6 off Brewer. Ramcharran was also LBW off the same bowler for 9 with the score on 75.

The Dumplings then went through a lean period losing Kobi Griggs to a stunning, one handed caught & bowled by Hayes, who was making his debut for the school. Griggs had hit the ball so hard that the players stood in disbelief that it had been caught. Hayes then had Daniel Takle caught in the slips by Tom Lammonby for 0 so that, at 75 for 6 off 22 overs, Dumplings were struggling until Richard Pyle and Anthony Beavan slowly rescued the situation and took the score to 132 before Pyle was caught in the covers, by Marcus Hoddinott for 25. Beavan scored freely through the covers until he ran out of partners with the score on 163. Beavan ended up with a vital 41*. Hayes was the pick of school bowlers with 3 for 15.

The Dumplings needed to take early wickets and despite good opening spells by Griggs and Ramcharran, 37 runs were conceded off the first 10 overs. Hoddinott and Lammonby played themselves in and took advantage of some loose bowling, before Hoddinott was bowled by Jack Stirling for 60 which included 3 6's, with the score on 107 off 22 overs. Lammonby continued batting with ease before he lost Counsell for a quick fire 25. Lammonby then saw the school home in the 29th over with an unbeaten 72.

May 28th at Heathcoat: Glamorgan Nomads vs. D.D. CANCELLED, Nomads Tour Cancelled.

June 15th at Knightshayes: D.D. 251 for 7 (40 overs. D Marais 59, T Fogerty 79, Ben Van Nierkerk 47) BEAT Arden Taverners 248 for 9. (40 overs. N Khan 3-50, P Joshi 2-8) by 3 wickets.

The 40 overs a side match was played in sunny weather at the Heathcoat ground with Bernie Wilson winning the toss and inserting Taverners. At 11-2 in the 4th over this looked inspired but the 3rd wicket put on 118 together. Boshoff fell for an excellent 100 in the 27th over and at 188-4 at the end of 30 overs things looked good for Taverners. Dumplings bowlers did well holding them to only 60 off the last ten overs restricting them to 248-9 with Nazir Khan the pick off them with 3-50.

After tea the reply started with a century stand in only 16 overs between Divan Marais (59) and Tom Fogerty (79). Ben Van Nierkerk (47) joined Fogerty and Dumplings were 202-4 after 30 overs and seemingly cruising. A mini collapse of 3 wickets for 15 runs slowed the progress and with the final ball to come all results were possible with one run needed to tie. Jake Choules (and Graham White still does not believe this) stroked the ball through the protective ring in the covers for 4 and the win! An excellent game of cricket enjoyed by all!

June 17th at Blundell's School: D.D. 161 for 4 (23.1 overs. Gary Abdul 61, Zac Bess 38*, Chris Sleep 19, Derek Lammonby 19*) BEAT Blundell's School 158 for 7 (25 overs. Will Lammonby 2-29, Grant Northover 3-17) by 6 wickets.

Dumplings marked their return to Blundell's School after a two-year absence with a six-wicket win over the 1st XI. Last season's fixture fell foul of the hectic academic timetable at the school – and this year's game was played as a 25-overs-each fixture due to time constraints. Having been on the end of a hammering the last time they visited Big Field, the Dumplings took a strong team that included current Devon player Zac Bess.

Batting first, the School stumbled to 45 for five under pressure from Will Lammonby (2-29) and Grant Northover (3-17) who took wickets at one end while Joel Murphy kept it tight from the other. Northover's sprawling catch off his own bowling to dismiss Monty Crowe would have graced any arena.

Ben Phillips, who plays for Budleigh Salterton 1st XI, and Thorverton's Christian Cabburn came together at 80 for eight and put on 78 unbroken for the ninth wicket. Phillips made 68 with 44 coming in boundaries – and Cabburn kept his end up with 25 not out.

A stand of 45 for the first wicket between Gary Abdul (61) and Kobi Griggs (8) pointed Dumplings' response in the right direction. Chris Sleep (19) joined Abdul to add exactly 50 and when he went Bess went out into the middle. Abdul departed at 113 after 70 minutes at the crease, by when the writing was on the wall for the School. Will Lammonby went cheaply, but Bess (38*) and Derek Lammonby (19*) wiped out the last 46 needed with the minimum of fuss.

June 19th at Shobrooke: Somerset Stragglers vs. D.D. CANCELLED Stragglers unable to raise a side.

June 23rd at Instow: North Devon vs. D.D. CANCELLED North Devon unable to raise a side.

June 24th at West Buckland School: D.D. 246 for 6 dec. (48.2 overs. D Marais 28, B Van Nierkerk 103 Retired Out, S Waters 76) BEAT West Buckland School 175 a.o. (T Fogerty 2-33, B Van Nierkerk 3-23, S Ewen 2-13) by 71 runs.

Dumplings batted first and lost a couple of early wickets before Ben Van Nierkerk and Steve Waters steadied the ship with an excellent partnership of 162 for the 4th wicket against some very tidy school bowling. Van Nierkerk batted very well for his 103 retired out, taking advantage of any loose balls by depositing them to the boundary and reached his hundred with a big 6 into the pavilion. Waters by contrast, started slowly before accelerating quickly to 76, before playing on with the score on 245. Divan Marais was the other contributor with a quickfire 28. So the Dumplings opted for a generous declaration on 246 for 5.

The school started briskly with Will Jacques hitting three boundaries in the first over and continued until caught by Van Nierkerk off Paul Jordan in the 4th over for 22. Tom Fogerty, Dumplings' other opening bowler, sent back Sullivan & Evans for not a lot, while Ross Clayton then played a captains innings facing 59 balls for his 22 runs, before he was bowled by a beauty from Nazir Khan, bowling his off spin. The spinners Khan and Bernie Wilson slowed the run rate, until Jack Brazier and Joel Quinn built a good partnership of 74 for the school, before Brazier was brilliantly caught by Fogerty, in the deep, for 52 with the score on 162. This was the school's last resistance and they then collapsed to 175 all out in the penultimate over of the final 20, with Ben Van Nierkerk and Sam Ewen taking 3 and 2 wickets, respectively.

June 29th at Kelly College: D.D. 233 for 4. (30 overs. T Fogerty 106 Retired Out, A Ramcharran 39*, T Lebodi 35*) BEAT Kelly College 135 for 6 (31 overs. T Fogerty 2-14) by 98 runs.

Dumplings with 9 men won the toss and batted in sunny weather in a 30 over a side match (more of that later). Sam Ewen and Ben Van Nierkerk went cheaply before Tom Fogerty (106 Retired Out) with Nazir Khan (14) and Adam Ramcharran (39*) took the score to 171 at his retirement. Ramcharran and Tshepo Legodi (35*) added 60 at 10 an over before the end of the innings.

Kelly started slowly with only 33 off their first 15 overs for the loss of 2 wickets. Their opener Ben Grove (61*) batted throughout but only scoring freely towards the end. He was assisted by Barnaby Sargent-Megicks (38) at a run a minute. Dumplings' bowling was tight with the wickets shared around. Kelly's innings drew unremarkably to an end other than for the fact that an extra over was bowled to them!

July 6th at Exeter: D.D. 184 a.o. (46.3 overs. K Griggs 52, R Pyle 57) LOST to Wye Rustics 199 a.o. (49.1 overs. P Hensor 3-37, K Griggs 2-24, M Davies 2-44) by 15 runs.

Effectively this close game was won by Rustics last two partnerships adding 51 runs. Sadly Dumplings could only manage 5 in the same position! Dumplings had bowled tidily and shared the wickets between them. Only Charlie Squire at 7 for Rustics took control with a run-a-minute 64. Even so the total appeared makeable at 200 to win.

Dumplings' top four made 15 between them but Kobi Griggs (52) and Captain Richard Pyle (57) aided by Sam Ewen (18) took the score to 183 before Pyle was 9th out. That was effectively that. It should be noted that Rustic's opening bowlers between them bowled 35.3 overs, 10 maidens, 115 runs for all 10 wickets!

July 7th at Seaton: D.D. 163 a.o. (43.1 overs. S Loud 44, B Van Nierkerk 32, H Baxendale 43) LOST to Free Foresters 164 for 4 (36.5 overs. C Cabborn 2-42, B Van Nierkerk 2-25) by 6 wickets.

The only win for Dumplings was the toss as they arrived with only 10 men and chose to bat. Sam Loud and Ben Van Nierkerk took the score to 78-2 before a collapse to 99-5 and 117 -6. Harry Baxendale (43) marshalled the tail from 7 to be last out at 163.

Foresters never looked in trouble in reply with 97 for the opening partnership and good support from the middle order. Christian Cabburn and Ben Van Nierkerk took 2 wickets each before the inevitable result.

July 9th at Exmouth: D.D. 144 for 9 (40 overs. D Marais 29, M Clarke 57) LOST to Haberdashers' Aske's 148 for 4 (31.2 overs. D Lammonby 2-19, J Allen 1-23, M Clarke 1-22) by 6 wickets.

Dumplings put out a good eleven against this strong touring school side and batted first making 83 for the first wicket in the first 13 overs before making faltering progress to 144-9 off the next 27 overs in this 40 over match. D Marais (29) and M Clarke (57) had got it started but losing 4 wickets with the score on 100 tore the guts out of the side. Aske's bowled well led by Aman Chatterjee with 4-16.

Aske's made steady progress in the reply with the game brought home largely by the 4th wicket pairing of Urban and Wright with a partnership of 84. It was good to see Derek and Will Lammonby open the bowling for Dumplings as a pair.

July 24th at Knightshayes: Denstone Wanderers vs. D.D. Cancelled by Rain..

July 30th at Instow: D.D. 328 for 4 dec. (48 overs. B Barnes 150, N Leahy 87, C Jelley 54*) BEAT UCSOBs 191 a.o. (46.3 overs. R Tidball 3-16, T Fogerty 2-13) by 137 runs.

On a beautiful sunny day at Instow with just a gentle soft breeze the "toss" resulted in Dumplings batting first in this declaration game. A new opening pairing of debutant Brad Barnes (150) and Niall Leahy (87) put together the biggest partnership of the season with 236 in 36 overs or 146 minutes. Barnes was first out having entertained the crowd with 17 x4s and 8 x6s. He was finally well caught on the long off boundary attempting his 4th 6 off 5 balls! Leahy accompanied him beautifully with a more subtle knock including only 8 x4s. Chris Jelley (54*) took over with style scoring his half-century in only 37 minutes and 34 balls bringing the innings to a declaration at 328 after 48 overs. UCSOBs bowlers had little reward for their efforts with Mark Teznick taking 3-80.

The Old Boys response started poorly with the loss of both openers by the 3rd over for 8 runs. Only the 5th wicket partnership of 50 looked comfortable including their top scorer, M O'Reilly (76) and D Goldsmith (21). B Bloom with 22 was the only other serious contributor as they subsided to 191 all out in their 47th over with 5.3 overs left of the "last 20". Richard Tidball captained the side and took 3-16 with Tom Fogerty assisting with 2-13.

July 31st at Plymouth College: D.D. 237 for 7 (40 overs. J Cummings 34, Ben van Nierkerk 41, J Colegate 29, H Baxendale 49, D Fogerty 34) BEAT Old Plymouthians 217 for 7 (40 overs. D Fogerty 5-32) by 20 runs.

This year wetsuits and fins were not required unlike last season! Dumplings batted first in this 40 over match scoring steadily until the last few overs where OPMs took some control. Five batsmen got good starts but none went on to record a half-century, Harry Baxendale coming closest with 49. At 230 for 4 things had looked excellent but only 7 runs were added for the last 3 wickets with three falling on 230.

At 2-18 the OPMs reply had stalled but a third wicket stand of 181 between S Summers (73) and R West (94) left them needing 38 from their last 6 overs. They were denied by excellent "death bowling" from Dan Fogerty (5-32) and Harry Baxendale (2-26) who between them took 5-13 in that period leaving Dumplings the winners by 20 runs. All in all a much more satisfactory experience for all than that of 2014!

August 6th at Shobrooke: D.D. 278 for 5 (40 Overs. D Marais 73, B Van Nierkerk 63, S Flett 69, A Ramcharran 50) BEAT Bahrain Camels 161 for 9 (40 overs. B Van Nierkerk 3-3, T Fogerty 2-18, J Hope 2-20) by 117 runs.

The Dumplings elected to bat in a 40 over game and Divan Marais and Ben Van Nierkerk provided an excellent start, scoring freely, before Van Nierkerk was bowled by Steve Turner for 63 with the score on 99. Sam Flett joined Marais and the pair added 70 before Marais was caught by the Camel's captain, Doug Perrin, for 73. Sam Flett carried on the good work by the openers, despite losing Chris Ferro for 8, hitting 11 boundaries in his 69. Adam Ramcharran helped Flett with a few lusty blows before he was out for a well deserved 50, the Dumplings finishing on 278 for 5.

The Camels lost their first 2 wickets for 25 to good slip catches by Divan Marais and Bernie Wilson off the bowling of Tom Fogerty. Tom Wooding and Dan Viles then steadied the innings with Viles hitting Wilson for a couple of 6's before he was caught superbly by Tom Fogerty, running round the boundary, for 31. The introduction of Ben Van Nierkerk into the attack prompted 2 wickets in his first over of off-spin, including that of Tom Wooding who had batted well for his 44. With James Hope and Van Nierkerk bowling tidily the Camels were struggling, reaching only 113 for 6 after 30 overs.

James Hope then took 2 wickets with his left arm spin, before Charlie Viles, father of Dan, hit a flurry of 4's at the end, leaving him on 22 not out but with the Camels 117 short on 161 for 9 when the overs ran out.

August 10th at Exeter: The Strollers vs. D.D. CANCELLED Rain.

August 11th to 13th inclusive – The Second Dumplings Tour to Oxford

What a Lovely Tour - 2!

For the second time in 101 years Devon Dumplings toured and once more to Oxford to play at The Queen's College Ground and stay at Pembroke College. Twelve playing tourists from 2014 came again and were accompanied by nine returning officials and spectators. We were joined by three new playing members. Obviously if people enjoy an experience they want to repeat it and that worked really well this year!

This year we had 4 day visitor players. Matt Nicholls, accompanied by Jonathan Bennett, was released by "The Barmy Army" on the Tuesday (perhaps it was felt that DDCC were also barmy?). Dominic Tuohey appeared on Wednesday and on Thursday Dan Beatty came all the way from Australia in a show of solidarity! (I had probably better admit that he was already in Europe for a brief visit BUT it shows overseas Dumplings what is possible if you try hard enough!)

What happened you ask? Well briefly: Played 3, Won 2, Lost 1.

11th August at The Queen's College Ground: D.D. 242 for 7 (50.5 overs. B Van Nierkerk 49, J Meredith 27, A Ramcharran 24, K Griggs 92) BEAT Incogniti 197 a.o. (40.3 overs. M Nicholls 2-1, B Van Nierkerk 2-33, P Jordan 2-31) by 45 runs.

Against our long time opponents Incogniti Dumplings won the toss and batted in warm weather. The top three put on 59 with Ben Van Nierkerk going on to 49 before the middle order took the score to 123 in the 28th over and Kobi Griggs started his career as a Dumplings tourist. In 82 minutes and off 72 balls he scored 92 with 11 x4s and 2 x6s. His dismissal in the 51st over aided the Captain, Bernie Wilson, in his decision to declare (it is always difficult when someone is approaching such a milestone!). Both Kobi and Ben were later fined for jug avoidance!

The Incogniti found their reply difficult against tight and accurate bowling from Dumplings' opening bowlers. Adam Ramcharran (1-20) and Matt Nichols (2-1) and then spinner Jake Choules reduced them to 31 for 4 after 10 overs. They were given respectability by their middle order with Smith (46), McAvan (48) and then with a wag from the late order. Dumplings used 9 bowlers in all with nobody taking more than 2 wickets. A good solid performance by all. Oh and thank you to Incogs for the post lunch Port!

12th August 2014 at The Queen's College Ground: DD. 226 for 5 (45.1 overs. B Van Nierkerk 122, K Griggs 55) BEAT The Frogs 222-8 dec (57 overs. B Wilson 3-31, P Jordan 2-33) by 5 wickets.

The Frogs won the toss and batted in cloudy weather getting off to an opening partnership of 77 in 15 overs. Another wicket fell at the same score before they progressed to 111 losing two again with a golden duck! Baker top scored for Frogs at 45 and Bernie Wilson led the bowlers with 3-31 nobly assisted by Paul Jordan with 2-33. The Frogs lower order did well with the unbroken 9th wicket adding 34 taking them to 222 after 57 overs. The innings was disturbed by an injury to Adam Ramcharran our keeper who was hit by the bat on the side of his jaw on a very late cut by a batsman. He was substituted and taken to Hospital by Brian Smith for X-Rays but he happily was given the all clear and a straw to "eat" his Tour Dinner!

In Dumplings' reply numbers 1,3 and 4 made 3 between them leaving Ben Van Nierkerk (122*) and Kobi Griggs (55) to break the back of the chase with their partnership of 133 in 77 minutes. Van Nierkerk brought the game home with his 21st four and with 5 balls left to be bowled ably assisted by skipper Dominic Tuohey (20). A close and exciting game enjoyed by all and notable for the first centurion on a Dumplings Tour in 101 years. This was pointed out at the Tour Dinner that evening at "The Head of the River".

13th August 2014 at The Queen's College Ground: D.D. 177a.o. (38.4 overs. B Van Nierkerk 40, G White 55, K Griggs 31) LOST to South Oxford Amateurs 179 for 4 (33.5 overs. C Cabborn 1-32, K Griggs 1-18, D Beatty 1-26, P Jordan 1-19) by 6 wickets.

Captain Graham White won the toss and elected to bat under threatening skies when only one, unplayable, swinging ball was bowled uprooting our opener's off stump before the rain came holding up play for 16 minutes! White (55) walked to the wicket to join Ben Van Nierkerk at 3-6 in the second over! They put on 57 before Van Nierkerk was dismissed and then there was little progress until White was joined by Kobi Griggs in another stand of 62. The last three wickets fell in quick time for 2 runs leaving Dumplings with a total that would be hard to defend.

Dumplings briefly had hope when they bowled reducing SOA to 13 for 2 in the sixth over. Then 3 partnerships of 80, 45 and an unbroken 41 gave SOA the win in brief time and only 33.5 overs. W Sensecall's 82* was the foundation of the win. Four Dumplings bowlers took one wicket each.

A first loss on Tour in 101 years but it had to happen at some time. It was good to see Graham get runs on tour – he plans more in future years!

I must record my thanks to the touring party who again made the three day tour such a success and all looked after me so well:

Paul Berman, Graham White, Jake Choules, Dan Beatty, Dominic Tuohey, Matt Nichols, Paul Jordan, Bernie Wilson, Johnny Meredith, Jonathan Bennett, Christian Cabburn, Jamie Khan, Ben Van Nierkerk, Kobi Griggs, Adam Ramcharran, David Salter, Sally Salter, Derek Hardy, Wendy Hardy, April Marjoram, Judy Jolliffe, Brian Smith and Jean Smith.

Martin Cross and his team at the ground looked after us royally and Ellen Brady and Tom Parrfitt arranged for our care at Pembroke College which again proved such a great place to stay.

Peter Jolliffe, Tour Organiser

August 21st at Exeter: South Oxford Amateurs vs. D.D. CANCELLED Rain.

September 1st at Exeter: D.D. 201 for 6 (39.3 Overs. S Flett 60, B Phillips 30, C Cabburn 47*, J Murphy 28*) BEAT The Frogs 200 for 9 dec (65 overs. J Murphy 5-37) by 4 wickets.

The Frogs batted slowly stuttering to 45 for 4 in the 31st over against tight and miserly bowling. Only T Marshall (73) much bothered the scorers as they reached 100 in the 44th over. They doubled their score in the next 21 overs with a wagging tail from C Prain with 22*. None of the nine bowlers used suffered and they were led by Joel Murphy with 5-37 from 13 overs.

Dumplings lost Tom Fogerty in the second over and then Sam Flett (60) and Ben Phillips (30) put on 62 together in 10 overs. With only one hour and 20 overs possible it was important to get off to a good start. When Flett was sixth out with 120 on the board Dumplings were in trouble only to be rescued by Joel Murphy (28*) and the match winning knock by Christian Cabburn of (47*) with him making the winning run with 9 balls to spare in the 40th over.

September 3rd at Sidmouth: D.D. 282 a.o. (40 overs. K Griggs 178, G Munday 32, J Allen 21) BEAT Old Broxfordians 165 a.o. (37.3 overs. G Munday 2-47, J Murphy 2-21, B Wilson 3-37) by 117 runs.

The final match of 2015 had Dumplings batting first in the 40 over a side match. Captain Graham White tried a new opener, Jake Choules, perhaps because of his winning last ball 4 against Arden Taverners, and he took the shine off with 6 in 22 balls! Nevertheless Dumplings were at 2-30 after 7 overs when Kobi Griggs (178) and Graham White (14) came together and added 95 runs in 11 overs. Griggs continued "both prettily and brutally" in partnerships of 39 with John Allen (21) and 68 with Graham Munday (32) before he was dismissed "retired out" with the score on 255. Munday and Paul Berman (5*) added 25 for the 9th wicket before Bernie Wilson (0) was out (only for the second time in the season) off the last ball of the 40 overs!

OBs openers added 30 in their first five overs before wickets fell frequently taking them to 95 for 6. Their 7th wicket partnership of 49 was their best by far with the last three wickets adding only 21 runs leaving them 117 runs short of their target. The wickets were spread around the six bowlers used with 2 each for Munday and Joel Murphy, 3 for Wilson and 1 each for Berman, Choules and Allen. A good solid win based upon the highest innings of the year!

Thank you to all our players, officials and spectators for their support of the club over the season. All were rewarded by excellent cricket and a lot of fun! Let us all hope that 2016 will be at least as successful but a few more wins never goes down badly...

AVERAGES and STATISTICS 2015

BATTING **Innings Not out Runs Highest Average (Min 125 runs in Min 3 innings)**
